The screenshot shows a Zoom meeting grid with 12 participants in a 4x3 layout. Each participant has a name tag and a circular icon with initials. The participants are: Kalpana Sharma (SC), Dr. Monika Wasuja (SC), Samiran Chakraborty (SC), steven christensen (DS), DR. DHANANJOY SH (DS), Deepak Singh (DS), admin@igipss.du.ac. (A), Meenakshi (M), kaushambi tyagi (KT), Dr. Dharmander Kum (DK), Muzammil Ahmad Bh (MB), Anil sharma (AS), MB, AJ, and A. A presentation slide is visible on the right side of the grid, titled 'Revisiting a Theme' and featuring the University of Southern Queensland logo. The slide content is as follows:

Revisiting a Theme

[Overcome] Fear of Applying our Interventions in Sport and Exercise

That is:

- Fear - Apprehension, reluctance, waiting till
- Applying - Putting sport psychology skills and knowledge into action in the field;
- Overcome - To set aside or diminish,
- How - Sharing Experiences that helped me

At the bottom of the grid, there is a video player showing a woman speaking, with a timestamp of 1:10:52 / 1:13:09 and a 'Scroll for details' button.

Via Cisco Webex

A Zoom meeting window showing a woman with glasses and a blue headscarf speaking. The window includes a video player interface with a play button, a timestamp of 1:10:52 / 1:13:09, and a 'Scroll for details' button. The bottom of the window shows a row of small participant icons.
