Conclusion

A big Congratulations for Successfully conducted '75th Azadi ka Amrit Mahotsav "National Health Festival " program ... With Immense gratitude and pleasure, we are so happy to achieve the successful execution of the National Health Fest for Divyangjan, held across country from 5th - 7th April '22, where more than 1,00,000 special athletes were registered and screened, at more than 133 districts across the country.

I am truly Grateful for the dedication and determination of the SOB team and for all the support from the union Government, State governments, the Administrative Officials, our Patrons & Sponsors and Volunteers, without their support this enormous Event would not have been successful. The organization could not have gone that extra mile and achieved 3 world records:-

- °Guinness Book of World records.
- ° Asia Book of records.
- ° World Talent Organization

without the time and efforts that was put into it by each one of you. Thank you for your contributions, we are truly grateful and looking forward for taking our mission on another level. Said The head SOB head, Dr Malika Nadda.

Recommendation

- This is a very big platform for the volunteers who have learned a lot about the event organisation.
- The volunteers learned a lot of things from these events at ground level and Management level too.
- This type of events help volunteers to gain the requisite skills to lead from the front.
- The institute must engage the students to participate in such programs in the future.
- A practical approach will assist students to develop their leadership skills.
