Subject:　Internship Programmes for Students.

Dear Madam/Sir

The Department of Youth Affairs, Ministry of Youth Affairs & Sports, Government of India is planning to launch the following Internship Programmes for undergraduate/post-graduate students on the YUVA Portal in May 2023:

- Student Internships in businesses, in collaboration with India SMB Forum are to be launched in a pilot project in seven states i.e. Assam, Andhra Pradesh, Tamil Nadu, Gujarat, Maharashtra, Punjab and West Bengal.
- Student Internships are being offered by the Nehru Yuva Kendra Sangathan (NYKS) field organization in district-level offices with two slots per district in the country.
- Student Police Internships with the State Governments.

Internship programmes will provide hands-on experience in work situations to regular students of Higher Educational Institutions (HEIs). Such internships would be very valuable for experiential learning in real-life work situations and students who avail of these internship opportunities, would benefit from the same.

I write to suggest that you might like to reach out to the Department of Youth Affairs, Ministry of Youth Affairs & Sports, Government of India, in respect of said internship programmes. For any query HEI who wish to take the advantage of these Internship Programmes for their students may contact directly:
