Subject: Websites of Colleges

Madam/Sir,

Hope you and all the members of the College are safe during the time of crisis.

Owing to the pandemic, most of the communications at present are online. It is therefore, extremely important that the website of every College is up-to-date to provide relevant information to the stakeholders at large. You are requested to ensure that the website of your College is up-to-date and is maintained regularly. An official should be designated to maintain the website of your College on a regular basis, especially in the best interest of the students.

Yours faithfully,

Sd-
Assistant Registrar
