## Google Classroom to Its Domain for Online Teaching during Lockdown

The Institute has shifted to digital learning resources and has also provided links to tutorials which will help teachers in using online resources for teaching students in the digital mode.

### A. Use the following instruction related to install app and integrate with class room...

1. Use Google **YouTube Studio** to create webinars for the students.
2. And here is the link on how to host a webinar on YouTube Studio – <https://www.youtube.com/watch?v=klVWGHTuE>

### **B. Pre-Request:**

1. System
2. handle video recording with webcam with microphone at least 8 GB Ram

### HOW TO HOST A YOUTUBE WEBINAR – VIEW THE FOLLOWING VIDEO

Make and upload a video on YouTube of your subjective lesson/lecture on your respective Google account and share the video link to [eresource@igipess.du.ac.in](mailto:eresource@igipess.du.ac.in) with respective MONTH-DAY-TIMING as per the Master Time table and we will publish the same on the Website of the Institute.

**To upload a video on YouTube follow the steps:-**

1. Log in to your YouTube account.
2. Click on the video icon at the top right hand side of the window, which can be found next to your user icon, messages, apps, and notifications.
3. Click 'Upload Video.'
4. Then, press 'select files to upload' to find the video file saved on your computer. Or, you can drag and drop it into the window.
5. Add a title so that it's more easily recognizable.
6. Add a description of the video so people know what your content is about before watching it.
7. Refer to the video for a brief tutorial: <https://www.youtube.com/watch?v=klVWGHTuE>
