Greetings from the Dean Examinations!

I know some of you may have faced a problem while filling the examination form, but our team is working day and night to resolve your issues.

Till now over 67000 students have filled the examination form.

We noticed that some of the students have finished the Course selection part where a student selected the course which he/she is studying but forgot to click on the examination form command button or examination form link.

Please follow the following steps for filling up your examination form (see the attached PDF for clarity).
