Five Days Workshop on RESEARCH METHODOLOGY: FOCUS ON STATISTICAL DATA ANALYTICS (28.08.2022 TO 02.08.2022)

The Five Days Workshop on “Research Methodology: Focus on Statistical Data Analytics, Level -1 for Beginners” organised by the IQAC of the Institute, was inaugurated on 29th Aug 2022 in the Computer Lab of the Institute on the occasion of National Sports Day. Ms Namita, Senior System Programmer (Retd.), Computer Centre of Delhi University was invited as the Resource Person for the Workshop. Dr Meenakshi, Convenor of the workshop welcomed the guests and gave a brief introduction about the five days’ workshop. The inaugural session was presided over by Prof. Sandeep Tiwari (Officiating Principal), Prof. Samiran Chakraborty, Coordinator, IQAC, IGIPSS and other faculty members of the Institute.

The workshop has the objective of imparting the basic knowledge pertaining to the research and statistics for the Master Degree Students and the Undergraduate Students (BSc (PE, HE&S) and its application in sports & physical education.

The workshop would be covering the Introduction to Statistics and Importance of Statistical Data Analysis in Research, Basics to SPSS, Data Preparation through SPSS, Running Descriptive Statistics in SPSS, Dealing with Non-Normality and Unequal Variance, Data Transformation and Recording, Bi-Variate data Analysis Methods in SPSS followed by Practice Session every day. Assignments to the participants and hands on experience will be provided in the workshop.
