Dear Sir/Madam,

Greetings from Sports For All,

SPORTS FOR ALL (SFA), a fully integrated digital plus on-ground multi-sport platform, is the Official Partner of the Indian Team for The Olympics, The Commonwealth Games, and The Asian Games.

With the belief that Potential can only be translated into Performance if Sport finds Support at the grassroots level itself, we launched SFA CHAMPIONSHIPS in 2015. This tech-enabled, multi-discipline, regional sports tournament truly revolutionized Sports at the school level. Enabling us to nurture, monitor and groom future champs from a very young age.

We are writing this email as we are pleased to announce that we are a proud sponsor of the Khelo India Youth Games. We are Organizing SFA Championship in the month December

We are inviting applicants from your institute who are talented, motivated, and interested in gaining practical experience in managing the sporting event at the SFA Championship. The internship will provide selected candidates with a unique opportunity to work alongside our experienced Sports Operations team and gain valuable insights into planning, organizing, and executing large-scale sports events.

We are looking for interns/volunteers who are enthusiastic, creative and possess excellent communication and organizational skills. This is an excellent opportunity for students who are interested in pursuing a career in the sports industry. Also, We are providing a sales Internship in the month of November.

We would be grateful if you can circulate this invitation amongst your students and encourage them to apply for this internship program. We are providing Offer Letters, Experience Letters, Stipends, and Apparel for Volunteers

Thank you for your time and support. We are looking forward to receiving applicants from your students and working with them in the near future.
