Sir/Madam,

The Examination Branch invites your kind attention towards the following relating to filling up of Examination Form, Verification of Examination form, new Portal of Examiners Portal and Question Bank.:

- You are hereby requested to motivate the students of your college/department to timely fill up the Examination form prior to the last date i.e. 30/11/2024 as no one will be allowed to appear in the Examination without filling-up of Examination form. This is needed urgently as the seating plan software will not allow students to appear in the exam provisionally.
- You are further requested to instruct the concerned staff of your college/department to verify the student examination form filled by the students since it has been noticed that more than 50% of forms are still pending for said verifications.
- Further, a new portal for Examiner Management System (EMS) is being shared in a separate email to facilitate examiners. You as an admin of the portal are requested to verify the credential of the faculty members of your college on the portal.
- A portal has been created by examination branch & maintained by the VCIS as a repository of previous Question Papers bank. It contains more than 2700 question papers of NEP. The poster is attached herewith for display at the prominent places of the college notice board or/college website for wide publicity.

Looking forward to your kind support and cooperation in this regard.
